Dear Maryland Water Quality Data User,

Thank you for your use of our water quality monitoring and assessment data. Working with academic, government and citizen partners is important to us and creates many value added products that emphasize the significance of our work and highlights the need for continued funding of our programs.

Eyes on the Bay Data Use Policy:

Maryland Department of Natural Resources Tidewater Ecosystem Assessment Division and Eyes on the Bay will release data and requests the applicant agree to the following conditions:

1. The APPLICANT agrees not to release or distribute the raw data in any form to any third party, without written permission from Maryland Department of Natural Resources (MD DNR). Data provided by MD DNR Tidewater Ecosystem Assessment Division is intended only for the project outlined in this data request. Please contact MD DNR if you want to use this data for additional projects.

2. Documents incorporating MD DNR monitoring data and data products shall include explicit reference to the source as follows: "Data included in this document were provided by the Maryland Department of Natural Resources Tidewater Ecosystem Assessment Division."

3. The APPLICANT agrees to provide MD DNR Tidewater Ecosystem Assessment Division with a list of any reports, manuscripts, published papers, or other printed materials prepared using MD DNR Tidewater Ecosystem Assessment Division data, and also provide a copy of such material if requested by MD DNR.

4. Although MD DNR Tidewater Ecosystem Assessment Division maintains high standards of data quality control, MD DNR Tidewater Ecosystem Assessment makes no warranty as to the suitability of our data for the APPLICANT's intended use, nor that the data are complete and free of errors.

Eyes on the Bay Citation Methods:

It is vital for us to create a common attribution/branding for our work if you use it in poster or oral presentations, manuscripts or other publications. Here are some general guidelines we request.

The most important is using the Eyes on the Bay name and www.eyesonthebay.net as the URL. This is easier for readers of your work to remember and much easier to type than our extended URLs.

For Posters:
Data provided by the Maryland Department of Natural Resources, Tidewater Ecosystem Assessment Division.
For more information, visit the Eyes on the Bay website (www.eyesonthebay.net).

If you choose to, you can incorporate the Maryland Department of Natural Resources logo into posters.

You may also use this QR code so that smart phone users can directly access the website:

For Manuscripts or Bibliographic Citations:

Use whatever style your publication requires but cite:

Author: Maryland Department of Natural Resources
Title: Eyes on the Bay
URL: www.eyesonthebay.net

If you use our data in any poster, presentation or publication please send us a reference. We will start highlighting these works on our website.

Thank you!
